(Repeatedly messing up)

Under NO Circumstances do I see "MS Humphreys in Medical. MS Sloan (Nurse Sloan) specifically referred me to PA Lundsford. You messed up.

On Friday May 27 2022 I came down on Apt to see Humphreys. This is the 9th time I have told you I DO NOT see her AND DONT Schedule me with her — YOU ARE WASTING YOUR TIME AND MINE. — I send All these Wasted slips to the Court.

YOU NEED To Address this I-60 to Medical / Manage Care.
Countroom does not schedule you with the providers. Medical does.
Countroom only prints the Slip. Countroom does not have time to look over all the layins to make sure you are scheduled with the right Provider.
 once again you need to address this with medical and not Countroom!

On Friday MAY 13 2022 at 5:00 pm when I received the evening mail - I received (10) Grievances back that were Almost ONE YEAR OLD. They were from Carol Young which I left in July 2021.

I need you to Explain to me - Why it took Almost (11) months to get copies of Grievances back when the Units know exactly where I Am from the day I leave. This just goes to show how inefficient the Grievance System is!

 Has she brought it to you YET? **NO**

I Am Going to Contact The Post Master General. It is illegal to With Hold or TAMPER with inmate MAIL. She is Also Giving me A Case (because I tried to go through her to mail it.) I have contacted the ~~Warden~~ and need to speak with you - Are you contracted to TDCJ or US Mail Postal employees?

The only one who has access to the Records! So who is lying here?

When I told you the nurses cannot be doing chart reviews (because they are missing information) my doctors are putting in my chart, You blew me off.

A typical example : On Feb 18 2022 Dr A. Pipes my neurologist directed the Unit to.

1. Renew my CUFF Pass
2. Renew my ZIP Shirt Pass
3. Medically Unassign me (NO WORK)
4. She is treating me for severe migraines
 - A. Which could be A Blood Clot or aneurysm
 - B. I cannot work.

5. Order compression Glove
None of the ~~recommendations~~ ^{Doctors Orders} were placed on my restrictions, none of my Passes were renewed, And the medication sumatriptan WAS Not ordered, neither was my Compression Glove.

When I came to your office 3 times to Attempt to rectify the Problems with my Medical Records and charts - You merely said you were too Busy to talk to me.

You did nothing to Help me correct Fraudulently written medical records, or chart reviews that Didn't take place.

I have informed your office that All my conditions are Permanent + Chronic. I Do NOT pay for medical care or treatment. I have constantly had money extorted out of my inmate trust fund to
PAY FOR MEDICAL CARE.

Defendant # 16 Deborah Pilkington (Medical Records) Mt View
2305 Ransom Road, Gatesville TX 76528.

Acts or omission of this defendant which harmed me. As the gatekeeper of my Medical Records on the Unit, I have been needlessly forced to wait exorbitant amounts of time to obtain my medical records from the Unit and from the Hospital in Galveston. When MS Aus quit working and you took her place (I had already waited 8 months for my hospital records). When I spoke to you in December²⁰²¹ + January²⁰²² to obtain those same hospital records you said it would be 6 to 8 weeks. (More like 6 months)

I just received my hospital records (June 10 2022) after waiting One Full Year to get them. I ~~repeatedly~~ ^{repeatedly} requested you to follow up and get status on WHY it is taking so long? You Always Avoided ME or pretended to be too BUSY to talk me.

When I told you I needed these records for COURT - ^{hospital} you avoided me And tried to Blame Huntsville. My records SAT in your Office from February 2022 until June 10 2022. (Surely you could have called them) and got permission to issue them to me. I Am entitled to those records, and you know it.

Mr Koontz your Boss in Huntsville said my family needs to Get A Medical Release in order to obtain these records. Well that release has been in my file since 2019 and he said it WAS Not there. He had to Get that information from you; because you are

Need Medical Pill Pass updated (new received copy back)
 letter to Brian Collier About medical Abuses — Lannette
 Linthicum refuses to Answer.

- January 2 2022 - It was bitterly cold outside and I couldn't go to Pill Line. (Pills will have to wait)
- 1/3/22 Tried to work with Medical on all the screw ups in my records. (They were NO Help)
- 1/4/22 Have received 7 cases in the month of December for not working (This punitive punishment is ridiculous.)
- 1/7/22 Filed Grievances And contacted Medical Ombudsman (Medical Records And Fiks) Are a mess.
- 1/11/22 Filed more Medical Grievances because they refuse to see me About WORK Issue + Medically Unassigned Status.
- 1/12/22 Terri Dorman (Nurse) who covers Humphreys Ass when she screws up woke me - Doctor isn't here. Shields has quit the Unit. (But did not see me before he left.) Now I Am stuck with only Humphreys! No doctor on Unit. I Am still on Restriction from Not Working
- 1/21/22 Humphreys says because I WONT TRAVEL to Galveston she lifted my Restrictions. (Wrong Answer) That is NOT medically sound judgement. (It's Stupid). All Humphreys does is detrimental to my Health. She knows exactly where I Am coming from And why I will NOT ride the BUS to Galveston. With COVID RAMPANT AND NO toilets And going through Plane State. Travel for me is to Dangerous. SHE FAILED TO GIVE ME ONE DAY BUS PASS 5 TIMES

FEB 18 2022 - Dr Pipes my Neurologist saw me on A DMS at 10:30 she gave me Medically Unassigned STATUS, my Compression Glove, my KOPs, Zip shirt Pass and CUFF PASS BACK. Humphrey denied me ALL OF THIS. (Deliberately)

March 20 2022 - my Medical Unassigned Status Expired •
Medical MS Humphreys (refuses to Renew it)
She definately knows I qualify for it based
on Dr Pipes Corder FEB 18 2022)

March 22 2022- Nurse Sloan writes in my Medical Records
Not to SEE Humphreys (Always see A
Second Opinion Person) TUGO or Gaswiega or Lundsford.
Humphreys over rides this and continues to force
me to see her.
She is grossly incompetent in my medical care
and denies me the treatment I need.

April 4 2022 Went to medical saw Nurse Stulista. Specifically
told her I would not see Humphreys. Came down
on appt to see Humphreys (AGAIN 6th time now)

refused to see Humphreys. Punishment because I
asked for Second Opinion.
I fired Humphreys off my Medical Care Plan.
She does nothing for me Medically that needs to
be done.

April 9 2022 My sick call Pass Now states my
Job is : OFF

April 21 2022 Wrote Warden Howard About Humphreys and all the mistakes she has made in my Medical records + conditions. (she called me into her office.) Signed Paper work for Medical Ombudsman)

No reason was given why. I waited 3 weeks for this Appt.

I told her About the Difficulties I was having with Humphreys. She will try to help.

May 19 2022 Called to medical at 0630. Supposedly it was for shots I needed. Actually it was for shots I DIDN'T need (Chicken Pox + Hep B) Nurse Healer said she checked my records. Bold face lie - I had chickenpox. when you ^{got the} (Chicken Pox shot, it was for COVID) and I don't need Hep B shot due to NO Exposure.

NOTE: A B12 Shot I wanted they wouldn't give me —
And shots I don't need they will give me.

Acts or omissions that harmed me. As A night shift supervisor
You were the one who mostly answered the Mail that I
sent to NP Humphreys.

99% of All medical responses you gave me were bogus and
did not accurately reflect my medical conditions.

You repeatedly reported to me you had done chart reviews—
when I knew this was A LIE because you could have
not missed what My doctor (Dr Pipes) wrote in my records
on Feb 18 2022 and May 13 2022.

You failed to make corrections to Medical Records

How can you miss request for Cuff Pass ????

How can you miss Not ordering Compression Glove ???

How can you miss Medically Unassigned ???

How can you miss ZIP shirt When I reported
things like this — You insisted my Restrictions were
Correct When clearly they were NOT.

Acts or Omissions that Harm me - Denying me ^{Combat} Psychology help when I needed counseling for my PTSD and Anxiety. Said you couldn't help me But "that is your Job".

Insisting you couldn't help me because I was not

on Psych meds. When I had MAJOR housing issues with TAM Robinson + Margaret Walker (being insane and out of their mind) you did nothing to alleviate my Psychological Stress and relieve my Anxiety. You ignored me. (Causing me great Emotional Distress.)

(Nov 2021) When I had to Go 4 days without sleep because TAM Robinson had Gone out of her mind - You did nothing to isolate her away from me. You only insisted on making the situation worse when you told me "I HAD to deal with it." It was Not my Problem it WAS YOURS!

Parties to Suit #21 Sherri Barron and #22 Denise Erikson
 Certified Medical Assistants. Both work Mountain View 2305
 Ransom Road Gatesville TX 76528

Acts or Omissions that Harm me. You would never give me information about whether my medication was Available when I stood in Afternoon Pill Line. You would give it to other inmates you liked. You would Also issue meds to other inmates who should have picked up their meds early morning - You would not let me pick up my morning meds at Noon.

On two occasions you slammed window in my face and denied me medications.

FRAUD ON THE PART OF TDCJ / STATE OF TX
13th Amendment Violations of the LAW
Federal Part of this LAW SUIT
Abuse of A Disabled American Veteran; Abuse of An
elderly person; forced Labor And Slavery (failing to pay
inmates for work (Job).

Medically been physically unable to work since Jan 5 2008
Verified by 3 Agencies Dept of Veteran Affairs / Medicare / Social Sec.
False Front: saying I have A JOB. I DO NOT WORK
in Laundry. It is Fake News to even put this
down. My Labor status is being Exploited
because TDCJ is drawing money for ME; (Working)
I cannot work in Any capacity based on
Disabilities.

Deliberate Indifference: UTMB has my VA ^{records} which have my
Total Disability based on Individual Unemployability
in my file. They fail to honor this letter,
or look at my Medical Records to Verify my
Disabilities.

TDCJ And UTMB have known since MAY 28,
2019 I cannot work.

They completely ignore this for their convenience.
TDCJ Actually deleted my Social Security And
my medical disability check from Dept of
Veterans Affairs. They cannot say they
dont know.

My JOB should read: (Medically UnAssigned.)

I cannot work in Any CAPACITY.

But Fraud: When TDCJ clearly shows me having A JOB.
 Will Call me out for work when needed. ★
 But will Not give me Work Credits for working
 Corrupt system based on exploitation of inmates
Labor without pay or FLAT TIME credit.

Exploitation of Labor : SLAVERY

Texas, Arkansas and Georgia Are the only States in the entire United States that FAIL to pay inmates for their Labor.

Texas (TDCJ) says they give Work Credits. Work Credits do Absolutely No Good for two reasons :

- 1) FLAT TIME CREDITS Are the only thing that APPLY toward Parole and should be awarded At A rate of two days for every one day worked.
- 2) TDCJ is making money for As many inmates Labor As they can put to work. This is forced Labor Especially when people like myself should not work. TDCJ only wants their PAY.
I am / And have been punitively Punished (Dec 10 2021 through FEB 14 2022) for Not working
When I should be in Medically Unassigned Status!

SINCE TDCJ And UTMB - refuse to Medically Unassign me like My Neurologist Dr Pipes ordered FEB 18 2022 I am suing the State of Texas for shortening my Life; Abuse, reckless endangerment, forced Labor, and slavery. You have done Egregious Harm to me.

Discrimination in Transportation : A MAJOR ISSUE

I cannot transport by Bus to medical appointments. The Bus ride from Gatesville Texas to Pecos State Jail Facility (A transfer Point) is unattainable for me.

As reported to Brian Collier, Medical Doctors on All Units I have been on, and TDCJ security - Due to severe migraines (having nausea, vomiting, diarrhea, dizziness And A severely crushed left hand) I cannot travel by BUS.

- 1) The toilets on the BUS DO NOT FLUSH
- 2) The toilets on the BUS ARE IN FULL VIEW of male bus drivers
- 3) I have requested ONE DAY TRAVEL pass - 5 Different Times and been refused 5 times.
- 4) I had Life And Death issues At Pecos State Jail Facility (Bldg K1) is not fit for Human Occupation. I Almost died there MAY 28 2019 through June 24 2019 and again July 1 2021 through July 16 2021.
- 5) Pecos State Jail Facility (Bldg K1) was condemned over 8 years Ago and should be closed.
- 6) Rarely do we get water on the Bus. There are NO Hand Washing facilities on the Bus! It is filthy.
- 7) My CUFF pass expired do to Incompetent Medical - I cannot be cuffed with METAL - it causes excruciating Pain in my LEFT Hand.
- 8) Inmates with less severe problems than mine are allowed to travel by VAN - A one day trip!
- 9) I Am to beat down to spend 3 to 5 days riding the BUS.

For Emergent Medical Care I need: I should be able to go to : (Death may be imminent)

The Dallas Veterans Medical Center

Due to TDCJ and UTMB completely mismanaging my Health Care and my Urgent Medical Needs. I need this court to consider this A Humanitarian Request. And also consider my 20 years service to this great country.
